**Field's Anatomy, Palpation & Surface Markings, 5e**

Podiatry students and practitioners all need to know palpation skills, but previously have struggled to find the information they need in book form. Here is the answer: the bones, joints, muscles, nerves, arteries and veins of the lower limb are described and at the end of the chapters are review questions to test your knowledge. LOWER LIMB ANATOMY, PALPATION & SURFACE MARKINGS helps you ...
