some opinions and papers pdf

The current paper discusses the peer review process in journals that publish research papers purveying new science and understandings (scientific journals).

Some Opinions on the Review Process of Research Papers

In some other journals, the editor reads all the papers once when they come into journal. In this step, if the quality of paper seems acceptable, the editor sends the paper to an experienced associate editor in that field. The paper is investigated by the associate editor and then will be sent to 2-3 reviewers. After finishing the review process by the associate editor and reviewers, in a ...

Opinion Paper Examples For Kids - ushasworld.com

Qualitative research is concerned with developing explanations of social phenomena. That is to say, it aims to help us to understand the social world in which we live and why things are the way they are. It is concerned with the social aspects of our world and seeks to answer questions about: Why people behave the way they do How opinions and attitudes are formed How people are ...
