Students learn best when instruction is: Appropriately Challenging. Kids (and adults!) learn best when they start at their current level of understanding and are challenged " with support (teacher, peers, materials, etc.) " just beyond what they are comfortable doing on their own.

### **Instructional Strategies - For the Teachers**

Structure. Project-based learning emphasizes learning activities that are long-term, interdisciplinary and student-centered. Unlike traditional, teacher-led classroom activities, students often must organize their own work and manage their own time in a project-based class.
