studio television production and pdf

A television studio, also called a television production studio, is an installation room in which video productions take place, either for the recording of live television to video tape, or for the acquisition of raw footage for post-production.

Television studio - Wikipedia

A studio is an artist or worker's workroom. This can be for the purpose of acting, architecture, painting, pottery , sculpture, origami, woodworking, scrapbooking, photography, graphic design, filmmaking, animation, industrial design, radio or television production broadcasting or the making of music.

Studio - Wikipedia
