Since the 1970s, dream interpretation has grown increasingly popular thanks to work by authors such as Ann Faraday. In books such as "The Dream Game," Faraday outlined techniques and ideas than anyone can use to interpret their own dreams. Today, consumers can purchase a wide variety of books that offer dream dictionaries, symbol guides, and tips for interpreting and understanding dreams.

Methods of Dream Interpretation: What Do Dreams Mean?

Students create a short story about a "strange dream". First, they listen to you ask questions and then they write their answers. Finally, they get the handout and fill it in with their answers. Wrap-up by having your students read aloud their stories to classmates. Use as a possible lead-in to a past tense writing activity about strange dreams.
