IVc Spira Solaris, the Fourth Planet and Fifth Element PROCLUS [ Commentary on the Timaeus of Plato ]: "For through analogy the universe is completely rendered one, this having the power of making things that are divided to be one, of congregating things that are multiplied, and connecting things that are dissipated.

### **Spirasolaris**

Biography. Glaucon was the older brother of Plato and, like his brother, was in the inner circle of the young affluent students of Socrates. Although little is known about his life, some information can be extrapolated from Plato's writings and from later Platonic biographers.

### **Glaucon - Wikipedia**

This is a list of important publications in philosophy, organized by field. The publications on this list are regarded as important because they have served or are serving as one or more of the following roles:

### **List of important publications in philosophy - Wikipedia**

Introduction PLATO's Divided Line, his Cave Allegory and the Sun analogy, occur together in the central section of the Republic and arguably express the core message of this most important of philosophical works.
