3 Violence Against Women and HIV/AIDS: Critical Intersections Violence against sex workers and HIV prevention often blamed for spreading the virus to the rest of society.

Violence against sex workers and HIV prevention - WHO

Political Power. We demand independent Black political power and Black self-determination in all areas of society. We envision a remaking of the current U.S. political system in order to create a real democracy where Black people and all marginalized people can effectively exercise full political power.
