Train your brain book by jayasimha download , Train your

Your brain has the ability to learn and grow as you age – a process called brain plasticity – but for it to do so, you have to train it on a regular basis. "Eventually, your cognitive skills will wane and thinking and memory will be more challenging, so you need to build up your reserve," says Dr. John N. Morris, director of social and health policy research at the Harvard-affiliated ...
