A thorough, well-organized contract is the one of the most important parts of a successful construction project. Here are two sample contracts to help you get started drafting yours.

Sample Construction Contracts - HomeAdvisor.com

A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a ...
