Literature and Links . This is an overview on literature about model ship building and specific plans for some ships. There are two outstanding books I would recommend for beginners (and for advanced builders as reference work):

Literature and links, museums, historic ships and replicas

The page in 'Where Ships Are Born' states that John commenced a shipbuilding business at North Sands in 1859. That date may well be incorrect, however, since this fine page, dating from 1891, references him (about 30% down) as being a builder at that location nine years earlier, in 1850, when John was just 18 years old only.
