The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials!

Something Wicked This Way Comes is a 1962 dark fantasy novel by Ray Bradbury. It is about 13-year-old best friends, Jim Nightshade and William Halloway, and their nightmarish experience with a traveling carnival that comes to their Midwestern town one October, and how the boys learn about combatting fear.
